RACE DAY PACKET PICKUP

Packet Pick-Up will be available on race day, but we **STRONGLY** encourage you to pick it up in advance. After all, why stand in line when you could be showing off your finest Irish jig?

THE PACKET: RACE ENVELOPE & PARTICIPANT SHIRT

At Packet Pickup, you will receive a race envelope packet that contains your race bib (which also doubles as your timing chip) and safety pins. You will also receive your official participant shirt.

NO CONFIRMATION OR ID REQUIRED

We currently do not require photo ID or official confirmation to pickup your packet for this event as long as this privilege is not abused. Simply know your bib# that was sent to you in a pre-race email or you can look up your bib# when you arrive at packet pickup.

BRIN SWAG PICKUP | AVAILABLE AT ALL PACKET PICKUPS

Runners that signed up for the BRIN BLACKOUT Series can pick up their SWAG package at any of the packet pickup dates or times listed above.

PACKET PICKUP (CONT'D)

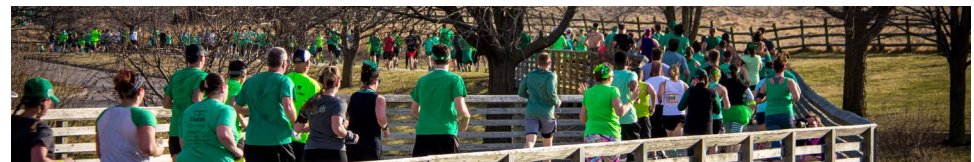

CAN A FRIEND PICK UP MY PACKET FOR ME?

Yes! We currently allow you to pick up packets for as many friends as you'd like at advanced packet pickup with a simple stroke of the pen (signature). Please just know their bib #. If this privilege is abused, we will be forced to ask for photo ID and proxy forms. Please don't abuse this and give a bib to someone that didn't register. These runners are considered bandits and are a major liability to us. Failure to comply will result in disqualification of all offending parties from the current race and a ban for the following year.

SHIRT EXCHANGE

If you would like to exchange your participant shirt for a different size, this can be done on race day only after the race. There will be a designated shirt exchange area at packet pickup after the race. Make sure your shirt fits prior to leaving on race day. Race shirts will not be mailed after race weekend.

RACE DAY SCHEDULE

LATE ARRIVALS

If you show up after 3:55 PM, you may not be allowed to park in the either parking area due to the fact that the race course begins in this area.

EARLY DEPARTURES

If you need to leave immediately after the race you will need to park in the east parking lot of SAC or in the Mahoney State Park lot. The west SAC lot will not have access until after the race at 5:15 PM.

GEAR CHECK

Sure, we can hold your gear while you race, but it will be safer and less of a hassle for you to leave as many personal items as you can in your vehicle. Any personal items need to be clearly labeled with your bib # and last name. Clear bags and black markers are provided. Turn items into the designated Gear Check area and allow extra time before the start of the race if you plan to use this service. You won't want to miss the start. Gear will be available again after you cross the finish line wearing your silly grin.

LINING UP

The start and finish line are located inside the Durham Restoration Hangar of the SAC Museum. Just enter through the main entrance and you can't miss it. (There will be thousands of other folks wearing green and silly hats that are also looking for the start line). We will begin lining up at about 3:45pm. Ladies to the right, Lads to the left (keep your hands to yourselves). Yep, we'll have pace signs to help you find the right spot. We'll play the national anthem, open the hangar doors and kick this puppy off at 4:00pm sharp. Lads will twiddle their thumbs for another 5 ½ minutes before being released from the gates.

RUNNER SAFETY

COURSE MEDICAL RESOURCES

Medical resources are available at the start and finish line as well as on the course and are staffed by paramedics from Midwest Medical Transport Company who can offer assistance as needed. If you need assistance, please notify the nearest medical personnel or event volunteer.

DROPPING OUT OF THE RACE

We want all runners to have an amazing running experience, but we know that sometimes it's "just not your day." Listen to your body and do not continue running if you experience symptoms that are not familiar to you. If you are unable to continue or finish the race, ask the nearest race official for assistance. If you are feeling ill on race morning, consider not starting the race. There's always next year and your health is more important.

RACE DAY WEATHER CANCELLATION POLICY

We want the Leprechaun Chase 10K to happen just as much as you! We'll do everything in our power to have things go off as scheduled. That being said, excessive rain, snow or other hazardous weather might cause us to modify or cancel the event. Cancellation is not likely, so plan on wearing green and running!

LOST & FOUND

Lost & Found on race day will be located inside the Pink Gorilla Events headquarters tent inside the Restoration Hangar. After the race, make inquiries at [Facebook.com/lc10k](https://www.facebook.com/lc10k)

1 in 3 people will need blood in their lifetime

Runners help runners—camaraderie is half the fun of a race. One in three people will need blood in their lifetime, and tragedy strikes all types, including the people you pass by on the path or the family around your table. Blood recipients can be found in the cancer ward, the NICU and the emergency room. The need for blood is constant. The supply is not.

When you donate blood, you ensure there is a stable supply for the family, children, and fellow runners in our community. Learn more at NCBB.ORG/ATHLETES or call 1-877-486-9414.
