RACE DAY PACKET PICKUP

Packet Pick-Up will be available on race day, but we **STRONGLY** encourage you to pick it up in advance. After all, why stand in line when you could be showing off your finest Irish jig?

THE PACKET: RACE ENVELOPE & PARTICIPANT SHIRT

At Packet Pickup, you will receive a race envelope packet that contains your race bib (which also doubles as your timing chip) and safety pins. You will also receive your official participant shirt.

NO CONFIRMATION OR ID REQUIRED

We currently do not require photo ID or official confirmation to pickup your packet for this event as long as this privilege is not abused. Simply know your bib# that was sent to you in a pre-race email or you can look up your bib# when you arrive at packet pickup.

BRIN SWAG PICKUP | AVAILABLE AT ALL PACKET PICKUPS

Runners that signed up for the BRIN Bundle can pick up their SWAG package at any of the packet pickup dates or times listed above.

CAN A FRIEND PICK UP MY PACKET FOR ME?

Yes! We currently allow you to pick up packets for as many friends as you'd like at advanced packet pickup. Please just know their bib #. If this privilege is abused, we will be forced to ask for photo ID and proxy forms. Please don't abuse this and give a bib to someone that didn't register. These runners are considered bandits and are a major liability to us. Failure to comply will result in disqualification of all offending parties from the current race and a ban for the following year.

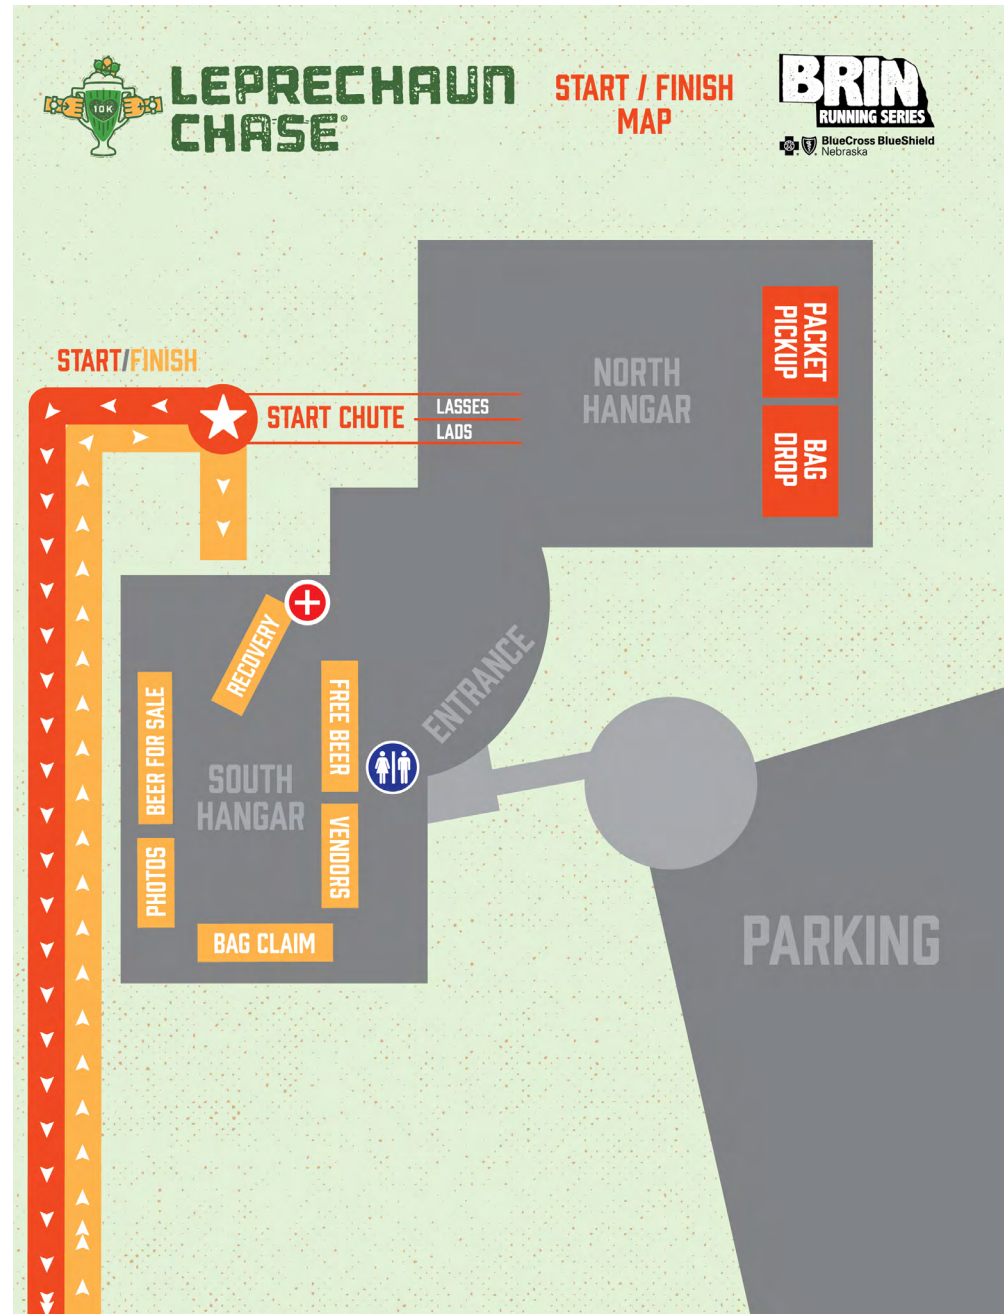

SHIRT EXCHANGE

There will be a limited number of participant shirts and SWAG items for exchange on race day only. Supply is limited and changes as runners exchange one size for another. You may only exchange like items.

After event day, participant shirts can be exchanged upon request, but participants must cover the cost of shipping.

Arrive early on race day. Know your designated parking area and allow plenty of time to park the car, stretch, laugh and make that final trip to the lads or lasses room! Add another 20 mins if you did not pick up your race packet in advance.

PARKING

Due to limited parking, you'll be assigned a parking area via email prior to the race at either Mahoney State Park, SAC Museum, or Ashland Ball Fields / Elementary School. Your parking assignment depends on how soon you registered. Please consider carpooling and make sure you arrive early. It will take at least 45 minutes to park and get to the starting line—even if you have your race packet. Note: Parking is free!

**March is the month to chase leprechauns
and also watch out for colon cancer.**

Did you know colon cancer is the second deadliest form of cancer
in the U.S.? Fortunately, it's largely preventable!

Be sure to stop by the Great Plains Colon Cancer Taskforce
booth after you cross the finish line to learn more.

RACE DAY SCHEDULE

LATE ARRIVALS

If you show up after 3:55 PM, you may not be allowed to park in the either parking area due to the fact that the race course begins in this area.

EARLY DEPARTURES

If you need to leave immediately after the race you will need to park in the east parking lot of SAC or in the Mahoney State Park lot. The west SAC lot will not have access until after the race at 5:15 PM.

GEAR CHECK

Sure, we can hold your gear while you race, but it will be safer and less of a hassle for you to leave as many personal items as you can in your vehicle. Any personal items need to be clearly labeled with your bib # and last name. Clear bags and black markers are provided. Turn items into the designated Gear Check area and allow extra time before the start of the race if you plan to use this service. You won't want to miss the start. Gear will be available again after you cross the finish line wearing your silly grin.

LINING UP

The start and finish line are located just outside the Durham Restoration Hangar of the SAC Museum. Just enter through the main entrance, hang a right and you can't miss it. (There will be thousands of other folks wearing green and silly hats that are also looking for the start line). We will begin lining up at about 3:45pm. Ladies to the right, Lads to the left (keep your hands to yourselves). Yep, we'll have pace signs to help you find the right spot. We'll play the national anthem and kick this puppy off at 4:00pm sharp. Lads will twiddle their thumbs for another 5-1/2 minutes before being released from the gates.

RACE DAY SCHEDULE

SAC MUSEUM ADMISSION

As a registered runner, admission into the SAC Museum is included in your race registration. Starting at 2:00 pm, you can explore the SAC Museum. Friends and family members who are not registered will have to pay for museum admission prior to 4:30 pm.

FREE PHOTO BOOTH

After the race get your photo taken in our free photo booth.

SPECTATORS

Spectators are encouraged to attend. However, [please refer to this Spectator Guide Map for the best results](#). Friends and family may enter the museum prior to 4:30pm at discount rates. After 4:30pm museum entry is free for all.

RUNNER SAFETY

COURSE MEDICAL RESOURCES

In a emergency, call 911. Medical resources are available at the start and finish line as well as on the course. Bike support will be roaming who can offer assistance as needed. If you need assistance, please notify the nearest medical personnel or event volunteer.

DROPPING OUT OF THE RACE

We want all runners to have an amazing running experience, but we know that sometimes it's "just not your day." Listen to your body and do not continue running if you experience symptoms that are not familiar to you. If you are unable to continue or finish the race, ask the nearest race official for assistance. If you are feeling ill on race morning, please stay home. There's always next year and your health and our community health is more important. Thank You!

DANGEROUS WEATHER ON RACE DAY

We want the Leprechaun Chase 10K to happen just as much as you! We'll do everything in our power to have things go off as scheduled. That being said, safety is of the utmost importance. Dangerous conditions are always a possibility and may cause us to delay, modify or even cancel the event. In such cases, participants will be notified of any event updates and given instructions via text, social media, and email channels as well as in-person channels such as PA announcements, [Event Alert System](#) signage, or event staff or volunteers.

LOST & FOUND

Lost & Found on race day will be located inside the Pink Gorilla Events headquarters tent inside the Restoration Hangar.
